the cranberry pie that's in the safe, was the precocious reply.

Administrator's Notice. the month and date of the year.

If in so wing mention the kind of grain, and the amount of seed per acre. The time of planting and of reaping. In fact I should have them note all the passing events of the farm; and as they grow older they will find more of the passing events of the farm; and as they grow older they will find more of the passing events of the farm; and as they grow older they will find more of the passing events of the farm; and as they grow older they will find more of the passing events of the farm; and as they grow older they will find more of the passing events of the farm; they grow older they will find more of the passing events of the farm; they grow older they will find more of the passing events of the farm; they grow older they will find more of the passing events of the farm; they grow older they will find more of the passing events of the farm; they grow older they will find more of the passing events of the passing events of the farm; they grow older they will find more of the passing events of the farm; they grow older they will find more of the passing events of the farm; they grow older they will find more of the passing events of the farm; they grow older they will find more of the passing events of the farm; they grow older they will find more of the passing events of the passing events

WILLIAM COHEN,

be much better farmers than their fathers.

It may seem like dry business to commence with the first day of January, but as the spring opens the green grass spears, and bright prospects are in our paths, and the task will be more pleasing every day until the close of the year.

Who would not give twice what the paper and is always prepared to repair watches, broken the most resonable ferms. He has now on hald, and disreaded to him at Hannibal, Mo. Said Agrain leading book written by a grandfather a 100 years and is k cost, could they but obtain a memoran dain book written by a grandfather a 100 years and of every day, and you will become a race of sejentific book farmers, not to be imposed upon. George Washington, one of the best far mers of America, kept a journal of the farm.

Much might be written to prove the benefit of such course, if adopted 3 but I lease it for the present, hoping some one more capable will write upon the subject hereafter.

write upon the subject hereafter.
